

Dualit®

Contact grills

Contact grills play an essential role in the kitchen, useful throughout the day. The Dualit range includes a single size for individual portions, the Panini and a double grill for versatility. All have flat base plates for faster cooking time...because we know time is money.

Double

Salamander

The salamander grill is the ideal aide to producing the perfect finishing touch to the tops of lasagne, pies or desserts. With three grill positions, the Salamader is a versatile and convenient way to create grilled dishes in a bustling kitchen.

Griddle

The griddle boasts a stainless steel griddle plate specifically designed to ensure even heat across the entire cooking area. Its versatility means you can cook virtually anything from eggs and bacon to most fish, steaks and even onions and tomatoes.

Choose your toaster
