

# Bolero XL Turbo Bolero F

**BRAVILOR  
BONAMAT**

Bolero XL Turbo

Bolero F

## Instant

Ideal when there's a rush on! The speed of the Bolero XL Turbo and the Bolero F makes these machines extremely suitable for moments when you need a lot of coffee. Because of the high capacity (10 litre boiler) the Bolero XL Turbo serves a full decanter of coffee in cycle. Cups are also possible.

The Bolero XL Turbo is equipped with three canisters and a separate hot water tap for tea or soup. The Bolero F is fitted with one canister and a separate hot water tap for tea or soup.

The taste of quality world wide

## **Bolero XL Turbo/Bolero F highlighted**

- High-performance capacity
- In one cycle a two litre decanter of coffee
- Hot water system that is less susceptible to scale formation
- Transparent canisters
- Fast and simple operation
- Energy saving mode
- Reduced maintenance
