

Novo Iso

**BRAVILOR
BONAMAT**

Novo

Iso

Quick filter

The wonderful aroma gives it away immediately... freshly brewed filter coffee!

The Novo brews coffee into a glass decanter and has two self-regulating hot plates that re-adjust the temperature according to the amount of coffee in the decanter.

The Iso brews coffee directly into a thermos flask. So you can enjoy freshly brewed coffee at anytime and anywhere, right down to the last cup.

The taste of quality worldwide

BRAVILOR BONAMAT

Novo and Iso highlighted

- Delicious fresh filter coffee
- User friendly and low maintenance
- Manual water filling
- Electronic control

We advise the use of:

- Bravilor Bonamat filter papers for delicious coffee
- Renegite for descaling
- Cleaner for thorough cleaning

The self-regulating hot plate of the Novo re-adjusts the temperature according to the amount of coffee in the decanter.

The special Bravilor Bonamat filter papers maximise the fresh taste and delicious aroma of your coffee.
