3 Reasons to Buy!

Performance

- Mixes up to twice as fast with more powerful 1/3 Hp motors
- Minimized motor vibration - each motor is individually balanced
- 3 speeds plus unique pulse switch for maximum mixing control

Durability

- Heavy-duty, die cast construction
- Motors are built to last with sealed, permanently lubricated ball bearings

Ease of Use

- 2 ways to start & stop mixing action: with pulse switch or cup guide
- Removable cup guides clean up quickly in the dishwasher

Great Versatility for Drinks and Food Prep - Great for everything from mixing ice cream shakes to "flashing" bar drinks and blending eggs, pancake, and waffle batter.

Performance - More powerful 1/3 Hp motor mixes up to twice as fast, so customers don't have to wait.

Precision Motor - Each motor is individually balanced to minimize vibration. Built to last with sealed, permanently lubricated ball bearings.

Two-Way Motor Activation - Operators can start and stop mixing action by inserting the cup into the cup guide, or by using the pulse switch on top of the mixer.

All-Metal, Heavy-Duty Construction - This classic design offers die cast durability in a smooth rounded shape that's easy to clean.

Specifications

Standard: Unit comes with base, one motor, spindle, solid agitator, and stainless steel cup

Controls: 3 speed rocker switch and unique pulse switch

Motor: 1/3 Hp

Electrical: 120 V, 60 Hz, 300 Watts

Weight: 14 lbs / 6.35 kg

Warranty: 1 year parts & labor

I 2 of 5: 00040094911011

3 speed switch plus unique fingertip-action pulse switch that starts and stops the motor.

Motor starts when mixing cup is inserted into the cup guide and stops when cup is removed. To save time, the cup guide pulls out for easy cleanup in the dishwasher.
