### 3 Reasons to Buy!

#### Performance

- Auto Blend stops blender when drink reaches the perfect consistency
- Wave-Action® system continually forces mixture down into the blades
- Super-creamy drink profile

#### Durability

- 3 Hp motor with all-metal drive coupling
- Jar pad sensor helps prevent "wear & tear"
- Unique airflow baffle keeps unit cool and prevents water ingress

#### Ease of Use

- Auto Blend "One-Touch Sensor Blending"
- Easy-to-clean controls
- Timer with automatic shutoff
- Stackable 64 oz. polycarbonate container
- USB port for future program updates
- Quiet Shield? sound enclosure

**Express Care Service Program** During the product warranty dial 1-866-285-1087 toll-free to speak to a member of our highly trained technical staff. [Learn more...](#)

**Auto Blend "One Touch Sensor Blending"** - Patent-pending technology continuously monitors blender's power usage and speed to determine when the perfect drink consistency is achieved.

**Hundreds of Pre-Programmed Cycles** - Reduces the need to select different cycles for different drinks to free up decision-making time.

**Automatic Shutoff** - As soon as the mixture reaches the perfect creamy drink profile/consistency, the blender stops to help prevent over- and under-blending.

**Super-Creamy Drink Profile** - The Wave-Action® System, along with speed and blade design, break down ice from a granita texture to a creamy drink profile.

**Cavitation Control** - Detects when cavitation occurs and prompts the operator to add more liquid. Keeps the operator from spending time watching the blender and from serving a bad drink.

**Airflow Baffle** - Constantly circulates cool air around the motor for back-to-back blending and longer blender life.

**Jar Pad Sensor** - Turns off motor when container is not in place to reduce grinding and "wear and tear" from misuse.

#### Specifications:

**Standard:** Unit comes with base, one container, sealing gasket, Quiet Shield? sound enclosure & 3-wire grounded cord and plug - **Controls:** Touchpad - **Container:** 64 oz. stackable polycarbonate - **Motor:** 3 Hp - **Electrical:** 120 V, 60 Hz, 13 Amps - **Weight:** 18.1 lbs / 8.2 kg - **Warranty:** 2 years or 20,000 cycles, whichever comes first - **UPC:** 0 40094 91083 0 - **I 2 of 5:** 10040094910837 - **Case Pack:** 1

Auto Blend stops the blender when drink reaches the perfect consistency

USB port for future program updates

Dual fans automatically keep motor cool in-between blends

Unique airflow baffle keeps unit cool and prevents water ingress

Jar pad sensor turns off motor when container is not in place to reduce "wear and tear" from misuse
