

"One Stop Shopping For All Your Healthy Lifestyle Appliance Needs."

The World's Finest Juicers And Beverage Equipment

We are dedicated to promoting healthy living by providing the equipment you need to eat and drink to good health. For years we have proudly supplied the world with a complete line of juicers, food processors, blenders, granita machines, drink dispensers, and other equipment to prepare food and beverages just the way you want them. Our products are designed tough for commercial use, yet elegant enough to feature prominently in any kitchen. At Omega we understand the challenges of leading a healthy lifestyle, and our products strive to meet those challenges head on. Easy to use, easy to clean, and built to endure, that's an Omega.

Omega is also the only company to offer units that are both "Household & Commercially Approved" by Underwriters Laboratories. So you can have a juicer in your kitchen that could also be in the juice bar down the street. The durability of Omega Juicers is why we offer 15 year warranties. A versatile juicer that can be stylish enough for the home and powerful for the workplace.

The amazing benefits of juicing begin with the body quickly absorbing large amounts of nutrients, including useful enzymes which are primarily found in raw foods. Enzymes in fresh fruits and vegetables have the vital role of converting food into body tissue and energy. Enzymes are also involved in metabolism, so one of the more valuable health benefits of juicing is that it can increase metabolic rate. Juicing also ensures that the body is getting sufficient amounts of phytonutrients, substances in plants that are considered among the most powerful ways to fight disease. In addition, antioxidants and other immune enhancing properties are concentrated in juices. Juicing can therefore help to accelerate recovery from illness and with specific combinations of fruits or vegetables can target particular conditions and improve or alleviate symptoms.

Every day you are given a fresh chance to live mindfully, purposefully and have a healthy body. Start the day with a healthy glass of goodness.

Centrifugal Juicers

Model 9000/1000

Model 9000 Features:

- NEW Larger Feed Chute
- Efficient 1/3 HP Induction Motor
- 3600 RPM
- Stainless Steel Blade (1/2 lb / 1/4 kg)
- Stainless Steel Basket (1 1/2 lb / 3/4 kg)
- Stainless Steel Cover
- 15-Year Warranty
- Dimensions: 8" W x 9" D x 12 1/2" H
203mm W x 229mm D x 318mm H
- 12 1/2 lb (5 3/4 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Exclusive Household and Commercial Approval 

Omega Models 9000/1000, our original juicers, use centrifugal juice extraction. The easiest to clean and most efficient style juicer, they extract 20% to 30% more juice than other juicers. The vertical basket spins the juice out of the pulp continuously, leaving behind a very dry pulp. All juicing components are surgical stainless steel or commercial grade polycarbonates. Our induction motor is quiet and has built in dependability. High quality materials and workmanship insure these juicers last a lifetime. Perfect for individuals and families alike.

Model 1000 Features:

- NEW Larger Feed Chute
- Efficient 1/3 HP Induction Motor
- 3600 RPM
- Stainless Steel Blade (1/2 lb / 1/4 kg)
- Stainless Steel Basket (1 1/2 lb / 3/4 kg)
- 10-Year Warranty
- Dimensions: 8" W x 9" D x 12 1/2" H
203mm W x 229mm D x 318mm H
- 11 1/2 lb (5 1/4 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Exclusive Household and Commercial Approval 

Pulp Ejectors

Model 4000/02

Model 4000 Features:

- NEW Larger Feed Chute
- Efficient 1/3 HP (250 Watts) Motor
- 5200 RPM
- 1 lb (1/2 kg) Stainless Steel Blade & Basket
- 15 Year Warranty
- Dimensions: 9" W x 15" D x 12 1/2" H
229mm W x 381mm D x 318mm H
- 11 1/2 lb (5 1/4 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Exclusive Household and Commercial Approval 

Omega Models 4000 and 02 are continuous, pulp-ejection style juicers, with receptacle bins in back to catch fruit and vegetable refuse for easy clean up and quick disposal. Built with the style and engineering knowledge we perfected with our centrifugal juicers, both of these models rival their efficiency and ease of cleaning while outperforming other pulp ejectors.

Model 02 Features:

- Compact Design -Great for Travel
- Large Feed Chute
- Efficient 1/3 HP (250 Watts) Motor
- 6200 RPM
- All Stainless Steel Blade & Basket
- 5 Year Warranty
- Dimensions: 7 1/2" W x 12" D x 11 1/2" H
191mm W x 305mm D x 292mm H
- 6 1/2 lb (3 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Household Approval 

PERFECT
FOR HOUSEHOLD USE

Mega Mouth Juicer

Model BMJ330/390

The Omega Mega Mouth Juicer is a continuous, pulp-ejection style juicer with one huge advantage. Its extra large feed chute accommodates larger portions and even whole fruits! This results in less cutting and a greatly reduced preparation time, allowing you to concentrate more on the juicing itself. Designed for commercial use, this unit is rugged and durable, yet attractive enough to be featured prominently in any kitchen. Simply flip the switch and watch as the Mega Mouth makes quick work of fruits and vegetables, extracting the maximum amount of juice in minimal time.

Model BMJ330 Features:

- Extra Large "Mega Mouth" Feed Chute
- Designed for High-Capacity Juicing
- Powerful ½ HP (375 Watt) Commercial Motor
- Automatic Pulp Ejection with Pulp Catch Bin
- Heavy Duty Stainless Steel Construction
- 10-Year Warranty (Domestic Only)
- 8" W x 12 1/2" D x 15" H
203mm W x 318mm D x 381mm H
- 9 1/4 lb (4 1/4 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Exclusive Household and Commercial Approval

Model BMJ390 Features:

- Extra Large "Mega Mouth" Feed Chute
- Designed for High-Capacity Juicing
- Powerful ½ HP (375 Watt) Commercial Motor
- Automatic Pulp Ejection with Pulp Catch Bucket
- Heavy Duty Stainless Steel Construction
- 10-Year Warranty (Domestic Only)
- 8" W x 12 1/2" D x 15" H
203mm W x 318mm D x 381mm H
- 13 1/4 lb (4 1/4 kg)
- Available in 120V/60Hz and 220V/50-60Hz
- Exclusive Household and Commercial Approval
- Cast Metal Housing With Chrome Finish
- ETL Sanitation Approved To NSF Standards

- 7.5 lb (3.4 kg)
- 13.25"H x 8.25" Dia.
- 337mm H x 210mm Dia.
- 400 RPM
- White Finish

Model C-10W

Masticating Juicers

Model 8003/8004/8005/8006

Omega Models 8003, 8004, 8005 and 8006 Nutrition Center are “masticating-style” juice extractors. Their ability to juice at low speeds – 80 RPM minimizes heat build-up and oxidation. The result is healthy fresh juice with the high enzyme content that health conscious individuals crave. Nutrition Centers are engineered with powerful components that can easily extract juice from wheatgrass and leafy vegetables, so there is no limit to variety of juice you can make. Nutrition Centers are not just for juicing; they turn nuts into nut butter, extrude pasta, grind coffee and spices, mince herbs and garlic, make baby food, and whip up soy milk in a flash. Use Nutrition Centers to make delicious healthy drinks and snacks everyone will love.

Model 8005/8003 Features:

- Continuous Juicing with Automatic Pulp Ejection
- Exclusive “Dual Stage” Masticating Extraction
- High Juice Yield - Very Dry Pulp
- Powerful Commercial Motor
- Low Rotation Speed of 80 RPM
- Less Foaming Than Double Gear Juicers
- No Heat Rise Promotes Healthier, Longer Lasting Juice
- Gear Reduction Equivalent of 2 HP Motor
- Heavy Duty Commercial Construction
- Engineered for Quiet Operation and Long Life
- User Friendly - Easy to Assemble, Operate, and Clean
- All Components Included
- Full 15 Year Warranty
- Available in 120V/60Hz and 220V/50-60Hz
- UL and cUL Approved Household and Commercial 
- CE Approved
- 10 Year Warranty
- 6.5" W x 14.5" D x 15.5" H
- 165mm W x 368mm D x 394mm H

Vertical Juicers

Model VRT330 / VRT350

The Omega Model VRT330 VERT Juicer is a revolutionary product that features the high efficiency of a masticating style juicer in a vertical design. The VERT is designed to be compact, contemporary and productive. Most juicers process at a speed of 1,650 to 16,000 RPM, destroying many healthy enzymes and causing juice to degrade shortly after being extracted. The VRT330 Low Speed Juicing System processes at 80 RPM, preventing oxidation and allowing juice to be stored for up to 72 hours without degradation. With the VERT form and function combine to give you the highest degree of extraction and the healthiest possible juice. The VRT330 also features an innovative auto cleaning system that keeps the screen clear during juicing and increases its efficiency.

Model VRT330 Features:

- 80 RPM Operation for Optimal Efficiency
- Fine and Coarse Juicing Screen for Pulp Control
- Capable of Juicing Wheatgrass at High Yield
- Auto Cleaning System
- 10-Year Warranty (Domestic Only)
- 7" W x 8 1/2" D x 15 1/2" H
- 178mm W x 216mm D x 394mm H
- 11 lb (5 kg)
- Available in 120V/60Hz and 220V/50-60Hz
-  UL Approved
- CE Approved

Heavy Duty GE Ultem® Auger

NEW

MODEL **VERT**
HD Speed Juicing System

The Omega VRT350 is sleek in stainless. The contemporary vertical design is complimented by the stainless steel exterior, which also adds durability. Ideal for fast pace commercial environments, this juicer combines a contemporary styling with the technology to cater to health conscious clientele. A processing speed of 80 RPM prevents the oxidation and degradation of freshly juiced product and an oversized spout serves up drinks with style and efficiency.

Model VRT350 Features:

- 80 RPM Operation for Optimal Efficiency
- Fine and Coarse Juicing Screen for Pulp Control
- Capable of Juicing Wheatgrass at High Yield
- Auto Cleaning System
- 10-Year Warranty (Domestic Only)
- 7" W x 8 1/2" D x 15 1/2" H
- 178mm W x 216mm D x 394mm H

- Continuous Agitator Stirs Product and Keeps it Fresh

Model OFS30

Salad Spinner

Model OSP05

Omega's Salad Spinner is just the thing to turn lettuce into lunch. Its 5 gallon capacity accommodates approximately 5-6 heads of lettuce while its construction guarantees easy use and quick results. Heavy duty FDA approved plastic and a patented "braking system" makes the unit safe, sanitary, and productive. Best of all it is ready to use out of the box!

Model OSP05 Features:

- Large 5 gallon (19 liter) capacity accommodates 5-6 heads of lettuce.
- Crank shaft made of rust resistant commercial grade aluminum
- Comfortable finger grip handle maximizes productivity and minimizes operator fatigue
- Clockwise and counter-clockwise rotation.
- Patented "Braking System" protects and extends the life of the gears.
- Sealed gearbox provides a sanitary environment.
- Convenient side handles allow for quick transport.
- Heavy Duty, FDA approved plastic provides a durable, reliable and safe product.
- No Assembly Required

WARRANTY CLAIMS

All claims for OMEGA products must be made directly through The Omega Technical Services Center. All claims should include; model and serial number proof of purchase, date of installation, authorized Omega dealer, and all pertinent information supporting the existence of the alleged defect.

WARRANTY EXCLUSIONS

Omega's sole obligation under this limited warranty is to the replacement of the complete base and/or container subject to the additional limitations below. The warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.

* **NO CONSEQUENTIAL DAMAGES:** OMEGA is not responsible for economic loss or special, indirect or consequential damage including without limitation; losses or damages arising from food or product spoilage claims.

* **WARRANTY IS NOT TRANSFERABLE:** This warranty is not assignable and applies only to the original purchaser/user to whom the OMEGA unit was delivered. Any such assignment or transfer shall void the warranties herein made and shall void all warranties express or implied, including any warranty of merchantability or fitness for a particular purpose.

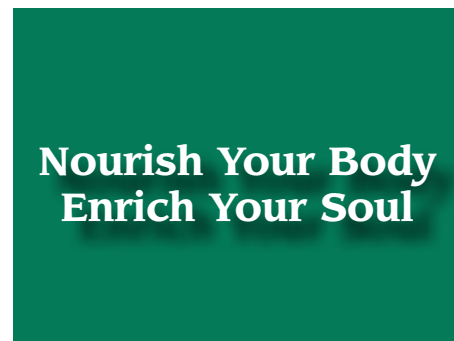

* **IMPROPER USAGE:** OMEGA assumes no liability for parts or labor coverage for component failure or other damages resulting from improper usage or installation or failure to clean and/or maintain the product as set forth in the warranty packet provided with the unit.

* **CONSEQUENTIAL DAMAGES:** OMEGA is not responsible for the repair or replacement of any parts that Omega or its authorized servicer determines have been subjected after the date of manufacture to alteration, neglect, abuse, misuse, accident, damage during transit or installation, fire, flood, or Act of God.

* **IMPROPER ELECTRICAL CONNECTIONS:** OMEGA is not responsible for the repair or replacement of failed or damaged components resulting from electrical power failure, the use of extension cords, low voltage or voltage drops to the unit.

* **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE:** There are no other warranties statutory, expressed or implied except the two (2) years replacement and one (1) year on the blender container for domestic use, and the one (1) year replacement for commercial use. These warranties are exclusive and in lieu of all other warranties including implied and merchantability or fitness for a particular purpose. There are no warranties which extend the description on the face hereof.

* **OUTSIDE UNITED STATES:** This warranty does not apply to, and OMEGA is not responsible for any warranty claims made on products sold or used outside of the United States.
