XS

The extra small bar in the "Centre"

XS, to offer a huge range of hot beverage specialties such as cap-puccino, espresso and delicious chocolate. For customer, guests and employees, in the office, in the shop and in the meeting room. Everywhere and always at the right moment.

Simple, flexible and handy...
to be installed, filled and enjoyed

XS, with dimensions of a TV, is always at your hand. Faultless, an outsider of taste. Installation, connection and refil-ling marked from that kind of sim-licity which makes the difference.

Lightshow

XS, the renewal at the beginning of the new Millenium, respectful, as always, of the main Vending princi-ples. Friendliness for the operators, refined taste for peculiarities and safeguard of quality/price concept. Enlighten front picture and "start up led" to mark step by step the drink erogation. The coffee taste shines of its own light.

The detail

Compact and hard working, the Rheavendors coffee brewing unit embodies decades of Italian coffee know-how. The patented Speed Mix system for Instant drinks. The valve-less system to minimize the dama-ges caused from limestone. Beverage dispensing as desired in mugs or plastic cups.

Design and colours

Designed from the well known architect Luan Peter Hasnay. Available in the instant and espres-so version and in black and silver colour.

User-friendly technology

XS, is totally programmable through selection keyboard or flash key. All parts can be quickly and easily removed without tools. Integrated cleaning program to make easier the cleaning service.

Paying with system

Arrangements for coins or cash-less systems in serial, executive or MDB protocol.

Coins, tokens

Cash cards, key systems

Beverages served perfectly

Beverage dispensing as desired in cups, glasses, coffee mugs.

Flexibility, variety and taste. Concepts to find solutions.

High programming flexibility.

The innovative electronic software, which grants a high setting flexibility and a wider autonomy to define and pro-gram every single selection.

Wide offer variety.

The secret of success? To offer something for every taste. Espresso and a wide choice of different co-ffee specialties, like cappuccino, moccacino, latte macchiato, capp-ciocc to satisfy the deside to enjoy a delicious hot drink.

Your own recipe.

Simply starting from the main pro-ducts like milk, coffee and chocola-te you might create your own recipe and decide how to mix them together to obtain different drinking results in taste and appea-rance.
